<https://www.ngccoin.com/certlookup/6135269-007/62/> From our spectacular Stratos Sale (London, 15 September 2020, lot 164), the following footnote was appended: 'Herbert Schneider in his article for the Spink Numismatic Circular (February 1957, pp. 43-55) records this die combination from only one example that he traced through the Dominic Mitchell dispersal (Glendining, 27 April 1949, lot 97). A further example surfaced through the Douglas-Morris collection in 1974, and has recently reappeared in the London market place (SR, 25 September 2018, lot 79). Evidently the seven-string harp die for 1738 remains particularly elusive.' Subject to 20% VAT on Buyer's Premium. For more information please view Terms and Conditions for Buyers.
