Far Eastern Timber Company, Russia / Siberia, 5 yen, Taisho Year 11 (1922), serial number 258, printed by Toppan Printing Factory, reverse text "denominations of 50 sen, 1 and 5 yen issued", pinholes, minor stain, minor paper damage, very fine. Was issued during the "Japanese Siberian Intervention", where they had over 72,000 troops in the area. Which meant the region's rich natural resources like timber, coal and fish were exported to Japan on a massive scale. Therefore this was likely issued for internal use for Japanese workers in the timber company. Very rare and interesting

Estimate  
HK\$10,000 to HK\$15,000

### Lot 308

Government of Sarawak, a booklet of watermark paper, including, \$5, \$10, \$25, \$50 and \$100, ca. 1880-1922 -\$5 - coat of arms flanked by denomination on either side, -\$10 - coat of arms flanked by denomination on either side, -\$25 - denomination at top, two coat of arms below, -\$50 - denomination at top, two coat of arms below, -\$100 - denomination at top, two coat of arms below, apart from \$25, all watermark paper mounted at left within the booklet. Generally well kept with little foxing, \$100 with some light water damage at lower left. \$25 not mounted in booklet. Other pages without watermark with more foxing/damage. Overall an interesting and advanced item for collectors (5 watermarks)

Estimate  
HK\$12,000 to HK\$18,000

Estimate  
HK\$28,000 to HK\$30,000

### Lot 311

Departamento de Emision del Banco de la Republica Oriental del Uruguay, a group of 10x obverse and reverse unissued designs 500 pesos, 1966, including, brown, green, purple, pink and orange. Note there are 2 types with different noticeable border, font and guilloche designs,(Pick unlisted), all PMG 67-68EPQ. These are unissued designs that were prepared for 'El Departamento de emission del Banco de la Republica Oriental de Uruguay'. Note this design was later used for the Banco Central de Uruguay 1966 issue which was then printed by De La Rue, while these unissued designs were printed by United States Banknote Company. With the different colours and designs, these were likely proposals from USBC to win the printing contract. A very unusual group providing a glimpse into the banknote production process. Important for South American banknotes specialists (5 pairs, 10 notes)

Estimate  
HK\$6,000 to HK\$8,000
