NOTICE TO BIDDERS

Dear Bidder,

We welcome you to our auction house. Please note the points below to assist you with the registration, bidding and payment at our auctions.

REGISTRATION FOR BIDDING:

If you are registering with us for the first time or have not bid successfully in the past, we require a deposit of HK\$50,000. If you intend to bid more than HK\$200,000 the deposit may be higher. The deposit will be deducted from your invoice should your bid be successful. If you are unsuccessful, your deposit will be returned by the same means by which it was paid. In addition we will ask for your bank and trade references.

We encourage new clients to register for bidding at least 48 hours prior to the commencement of the sale to allow sufficient time to process the registration.

Prior to the auction, some lots may be designated as "Premium Lots", which means a deposit may be required before placing a bid on the item for sale. Information will be posted on our website in such an event.

Spink have the right at our own discretion to refuse admission to our premises, attendance at an auction and decline submitted bids.

BIDDING METHODS:

In person

You will be given a registration form that you will need to fill in providing your up to date address and contact details. Please always have your photo ID with you and, if you are bidding on behalf of a company, your business registration. ID information is collected for registration purposes only and will be kept confidential.

Submitting a bid form by email/post/fax

Again please always provide your full up-to-date contact details together with the lot numbers and the amounts up to which you would like us to bid on your behalf exclusive of Buyer's Premium/tax/postage. Should you not receive our email confirmation of your bids having been received please call our office to make sure they have been received and processed.

Submitting bids via our website

To submit bids via our website www.spink.com you need to be registered and logged in. You can leave bids via this method up to 3 hours before the commencement of the sale.

Bidding live on Spink Live

You must be registered and logged into either our website www.spink.com or the Spink Live App that can be downloaded from App Store. On our website access the sale via Spink Live button on the home page or through Auctions – Auction Calendar page. In the Spink Live App select the sale from the list. The live bidding platforms are available from one week prior to the sale and made active for live bidding shortly before the commencement of the sale. Please check that you are approved for bidding. During the live feed you will be able to see and hear the auctioneer.

Telephone bidding

We reserve this service for bidding on lots of value exceeding HK\$10,000.

Bidding via agent

Your agent has to inform us prior to the sale that he or she will be bidding on your behalf, and the usual sale registration has to take place. He or she has to provide a letter of authorisation signed by you.

Please place your bids following our usual bidding increments published in the Terms and Conditions for Buyers.

Please note that commission and telephone bids are undertaken subject to other commitments at the time of the sale, and the conduct of the auction may be such that we are unable to bid as requested. Since this is undertaken as free service we cannot accept liability for failure to make a commission bid.

Buy bids and plus one bids will not be accepted.

Please make yourself aware of any Saleroom notices published on lots you are interested in bidding on.

If your bid is successful the Purchase Price will be the sum of the final bid and Buyer's Premium as a percentage of final bid, a shipping charge if applicable and a fee for paying by card. Buyer's Premium rate is 24% of the hammer price.

EXTENSIONS (STAMPS ONLY):

Prospective buyers, who wish to obtain an expert opinion on any lot other than a mixed lot or lot containing un-described stamps, are requested to notify Spink in writing no less than 48 hours before the commencement of the sale. Reason why such opinion is required must be stated together with the identity of an expert for Spink to consider such a request.

Extensions requested on account of condition will not be accepted for expert opinions.

PAYMENT METHODS:

Payments should be made by the registered buyer and not by third parties, unless it has been agreed upon at the time of registration that you are acting as an agent on behalf of a third party.

Payments are due within seven days after the date of the sale unless it has been confirmed to you in writing since July 2013 that you are an approved credit client. HOW TO BID WITH THE SPINK LIVE APP?

Please Note: In order to participate in any of our auctions you need to be registered and logged in the auction in which you will be placing bids. For registration, please refer to the Instructions for downloading SPINK LIVE APP.

TIMED AUCTIONS:

Timed auctions allow a single lot to be up for sale for a fixed time. The amount of time left is displayed by the timer which counts down until the end of the auction. Each subsequent lot is timed to end at 30 second intervals if there are no last minute bidders. However please note the following:

1. During the auction, the bid price gets updated in real time so you will know right away when you get outbid by another buyer.
2. If there is more than 1 bidder bidding on the same lot at the same time, the time will automatically extended. If there are multiple time extensions the following lot may end before current lot.
3. If you have the highest bid when the listing ends, you win! For best results, monitor the lot before the sale ends to see if you have been outbid and the time has been extended for further bidding. Please note that there is NO SLIDE BAR for timed auction, you must submit your bid by selecting the amount. Once submitted, no cancellation is allowed. The current bid will be shown.

LIVE AUCTIONS:

Bid during a live auction event from your mobile or any other devices. Simply log in, select the sale and click on the 'View Live' button. The 'View Live' button will only be available when the sale is about to commence. During the live auction, you will be able to see and hear the auctioneer. Begin bidding with the SLIDE BAR. Once you slide the bar to your desired bid price, you have already successfully placed a bid. The slide bar will ONLY appear in LIVE AUCTIONS.

***Note there is NO SLIDE BAR in TIMED AUCTION**

***Slide bar only available in LIVE AUCTION**

Full-bodied, with oodles of glycerin but a relatively healthy pH, this wine has a precision and freshness that belie its lofty alcohol and extravagant concentration. Romanée-Conti 1996

Domaine de la Romanée-Conti

(#0007, cracked & damaged wax capsule, lightly stained label, lightly nicked at bottom section. Acquired in 2008 from a reputable wine merchant in Tokyo)

"This is backward to the point of being almost inexpressive though with extended airing, subtle aromas of black fruit, hoisin, spice, underbrush, anise and violets frame understated, refined, elegant and classy flavors of incredible breed and fantastic complexity. This will live for decades and it is so young that it hasn't even begun to reveal what it will ultimately be capable of delivering." (96pts AM)
 就算經過長時間的醒酒，這瓶酒還是好像十分收斂：隱約的黑果、海鮮、香料、樹叢、大茴香和紫羅蘭香氣的結構，與淡淡的、優美雅緻的味道帶出無窮驚人的特性和複雜性。這瓶酒應該可存放多幾十年，現在的它幼嫩得還未揭露出最終熟成時可釋放的潛力。（「Burghound.com」Allen Meadows評分：96）

22

Château L'Evangile 1982

Pomerol

(very top shoulder, lightly tattered label middle section, nicked capsule)

"...extravagantly rich nose of caramelized fruit, plum, licorice, smoked meats, and toffee. This opulent, full-bodied Pomerol caresses the palate with layers and layers of glycerin and fruit. The tannin is barely noticeable in this massive, rich, gorgeous effort." (98pts WA)

Margaux 1er Grand Cru Classé

(2 base neck, all lightly bin-soiled labels, 2 corroded capsule)

"...With several hours of aeration, the aromatics become striking, with notes of smoke, toast, creme de cassis, mineral, and white flowers. Very full-bodied, with high but sweet tannin, great purity, and a very masculine, full-bodied style, this wine should prove nearly immortal in terms of its aging potential." (98pts WA)

26

Château Mouton Rothschild 1986

Pauillac 1er Grand Cru Classé

(2 very top shoulder, 1 lightly nicked label, 1 lightly corroded capsule)

"...it tastes as if it has not budged in development since I first tasted it out of barrel in March, 1987. An enormously concentrated, massive Mouton-Rothschild, comparable in quality, but not style, to the 1982, 1959, and 1945, this impeccably made wine is still in its infancy. Interestingly, when I was in Bordeaux several years ago, I had this wine served to me blind from a magnum that had been opened and decanted 48 hours previously. Even then, it still tasted like a barrel sample! I suspect the 1986 Mouton-Rothschild requires a minimum of 15-20 more years of cellaring; it has the potential to last for 50-100 years!" (100pts RP)

Montrachet L'Exceptionnelle Vendanges des Sept Domaines 2016

Côte de Beaune

"The severe frost that hit Burgundy in 2016 was the worst the region had experienced in decades. As a result, none of the seven producers who typically make individual Montrachet grand cru wines had sufficient grapes to do so for the 2016 vintage.

Instead, the collective 2016 harvests from these producers were aged for 18 months at Domaine Leflaive, using a combination of one new barrel and one barrel that was a year old.

The total yield from the 822 kilos of grapes harvested amounted to no more than 683 bottles, which were bottled in late May."

"... Err, I know that sounds like maltoporn, sorry... And beyond the sherry, you have the classical peat smoke, seaweed, brine... Whiffs of ginger ale, horse dung, bold notes of wet hay... Very interesting, it's very different from both the older 'tropical fruitbombs' and the younger 'simpler or lavender-perfumed' Bowmores. Mouth: oh-oh! Very liquoricy, resinous and meaty, with quite a maelstrom of very special flavours, mostly fermented fruits, wax, old rancio..." (5 Stars-Whiskyfun)

What a beauty!” (5 stars-Whiskyfun)

Aging whisky in Sherry barrels is an ancient practice that has seen a decline, with current stocks in Scotland comprising less than 0.25% of available barrels. The scarcity of these barrels makes them highly sought after, as they contribute significantly to the maturation process. The complexity of flavors achieved through proper aging in Sherry barrels—such as vanilla, ripe wheat, saltiness, peat, and oak—cannot be matched by other methods. This highlights the importance of traditional aging techniques in crafting exceptional whisky.

Some fresh mint for sure, verbenas again, a touch of wormwood, honeysuckle tea, some pink grapefruits bringing the fruity contribution, and finally, a little bit of paraffin, going towards beeswax but not totally so." Karuizawa Founder's Cask-1981-#2084

Distilled 30th July 1981, bottled July 2012. A cask specially selected by the directors of Number One Drinks Company. Distilled at Karuizawa Distillery.

One of 347 bottles. Cask no. 2084. Good label, lightly wrinkled. Torn and separated plastic capsule.

"...Nose: this is completely different from the 山崎 Yamazakis, and yet it's massively sherried. It's much drier in fact, more mineral in a way, with a lot of 'guns that just shot' - unless that's one single huge machine gun - at first nosing, and once that's gone away, splendid notes of cigar humidor, cocoa, soy sauce, balsam and dried porcinis. My kind. With water: the machine gun is back, as well as the cigars. Smoking a Cuban double-corona in front of a huge humidor. An open humidor, of course. Mouth (neat): we're closer to the 山崎 Yamazaki this time. Feels rather less 'engineered', with probably more very tiny flaws, but also a much bigger complexity." (4 stars-Whiskyfun)

"...Mouth: glorious attack, just like if you bit into a slice of Christmas cake (or Alsatian berawecka). Thousands of dried fruits, chocolate, marzipan, jams, soft spices, old cognac (eh?)... and an avalanche of tinier flavours of the 'chocolate-coffee' universe. Brilliant. Finish: long, coating, creamy and jammy but not heavy, mainly thanks to the fairly spicy aftertaste. Comments: what can I say? This defines authentic sherry-matured malt whisky." (5 Stars-Whiskyfun)

「.....口味：極為怡人的味道，就像咬了一口聖誕蛋糕（或阿爾薩斯貝拉維加水果聖誕麵包）。成千上萬的乾果、朱古力、杏仁蛋白糖、果醬、軟質香料、陳年干邑（噁？）.....紛至沓來的『朱古力咖啡』微妙滋味。太棒了。收結：悠長、朝氣蓬勃，忌廉和果醬味，但由於回味挺辛辣，顯得不濃重。酒評：我能說什麼？這是真正雪莉酒桶熟成麥芽威士忌的示範作。」（Whiskyfun：5星）

"..Mouth (neat): unusual!! It's fizzy and prickly like some Schweppes-Lemon, with touches of bitter oranges and, of course, lemons. A feeling of plasticine diluted in turpentine, then perhaps cinnamon mints. Rather big, as most 1983s are in my book. With water: notes of lemon tarte, with some meringue and some cinnamon. Add chlorophyll gum and perhaps one whelk. Finish: rather long but not massive, rather on plasticine, mint, pinesap, and lemon skin. Very bold and sort of electric. Huge notes of new tyres, coal smoke... This is just 'Ardbeg'. Fab stuff. Mouth: a superb attack again, on espresso coffee, chestnut honey and of course lots of peat. Peated malt (grains), salted liquorice, hints of cloves and nutmeg plus some great oaky tones... Gets very medicinal... and a long finish on chlorophyll, peat, liquorice and a pinch of salt... Yes, just fab and, again, dangerously drinkable." (5 stars-Whiskyfun)

"... Mouth: holy featherless crow! Perfect combination of many resinous notes (putty, pine resin, natural rubber) with a fine liquoricy/tarry smokiness and many crystallised or dried fruits, such as kumquats, oranges or lemons. Gets then very salty (maybe this one was matured on Islay?) and more kippery than the usual Lagavulin (but can Lagavulin be usual?) Exceptional whisky. Springbank Dumpy-1973-18 year old

The Green Springbank. Distilled June 1973, bottled September 1991. Matured in a Rum Butt by Wm. Cadenhead.

Rum Butt. Good label.

"...powerful, starting on raisins (sultanas but also Smyrna) and candy sugar. It's not hugely rich. Unusual notes of candied citrons and apricots, seaweed (really), lemon-flavoured yoghurt, coconut (is that Springbank or the rum?) The sultanas grow even bolder after a moment, it gets also a little like a marc...Mouth: now it's thick and fat, almost greasy. Lots of nuts, olive oil, sultanas (of course), prunes... It's not hot but very warming! Crystallised oranges, kumquats, and pineapple, coconut milk, blackcurrant jelly, light caramel, barley water, sugar cane cordial... Amazing!" (5 Stars-Whiskyfun)

GUIDE FOR ABSENTEE BIDDERS

ABSENTEE BIDS

If you are unable to attend an auction in person, and wish to place bids, you may consider instructing Spink Auction team to bid on your behalf. Upon receiving your written instructions, our representative will make every effort possible to try to acquire the lot(s) of your choice at the lowest price possible, and never to exceed the top limit you indicate. This service is complimentary and with strict confidence. Spink offer this value-added service as a convenience to our clients who are unable to attend the auction, however, Spink will not be held responsible for error, omission or failure to execute bids.

PLACING ABSENTEE BIDS

To place bids, please use the absentee bid form provided in the catalogue. Be sure to accurately record the lot number(s) and the top price you are willing to pay for each lot. "Buy" bids will not be accepted. Always indicate a "top limit" - the amount to which you would bid if you were attending the auction yourself.

Alternative bids should be indicated by using the word "OR" between lot numbers. If your bid on an early lot is successful, we will not continue to bid on other lots for you. Or, if your early bids are unsuccessful, we will continue to execute bids for alternative lots until a bid is successful. Bids must always be placed in the same order as the lot numbers appear in the catalogue.

Each absentee bid form should contain bids for one auction only; the auction code number should be stated on the form. Please place your bids as early as possible. In the event of identical bids, the earliest received will take precedence. The "top limit" you indicate on your bid form is for the hammer price only. A 24% buyer's premium will be added to the successful bid price for each lot you buy and is payable by you.

TELEPHONE BIDS

Bids may be placed by telephone, but are accepted subject to Spink discretion and are at caller's risk. At the sole discretion of Spink, telephone bids may be recorded. By bidding on the telephone, prospective purchasers consent thereto.

ON-LINE BIDDING

We offer internet services as a convenience to our clients. We will not be responsible for errors or failures to execute bids placed on the internet, including, without limitation, errors or failures caused by a loss of internet connection by either party for whatever reason; a breakdown or problems with the online bidding software and/or a breakdown or problems with your internet connection, computer or system.
